

The Power to Surprise

The new Kia  
**picanto**

Chill Out.  
Chill In.

EXTERIOR DESIGN

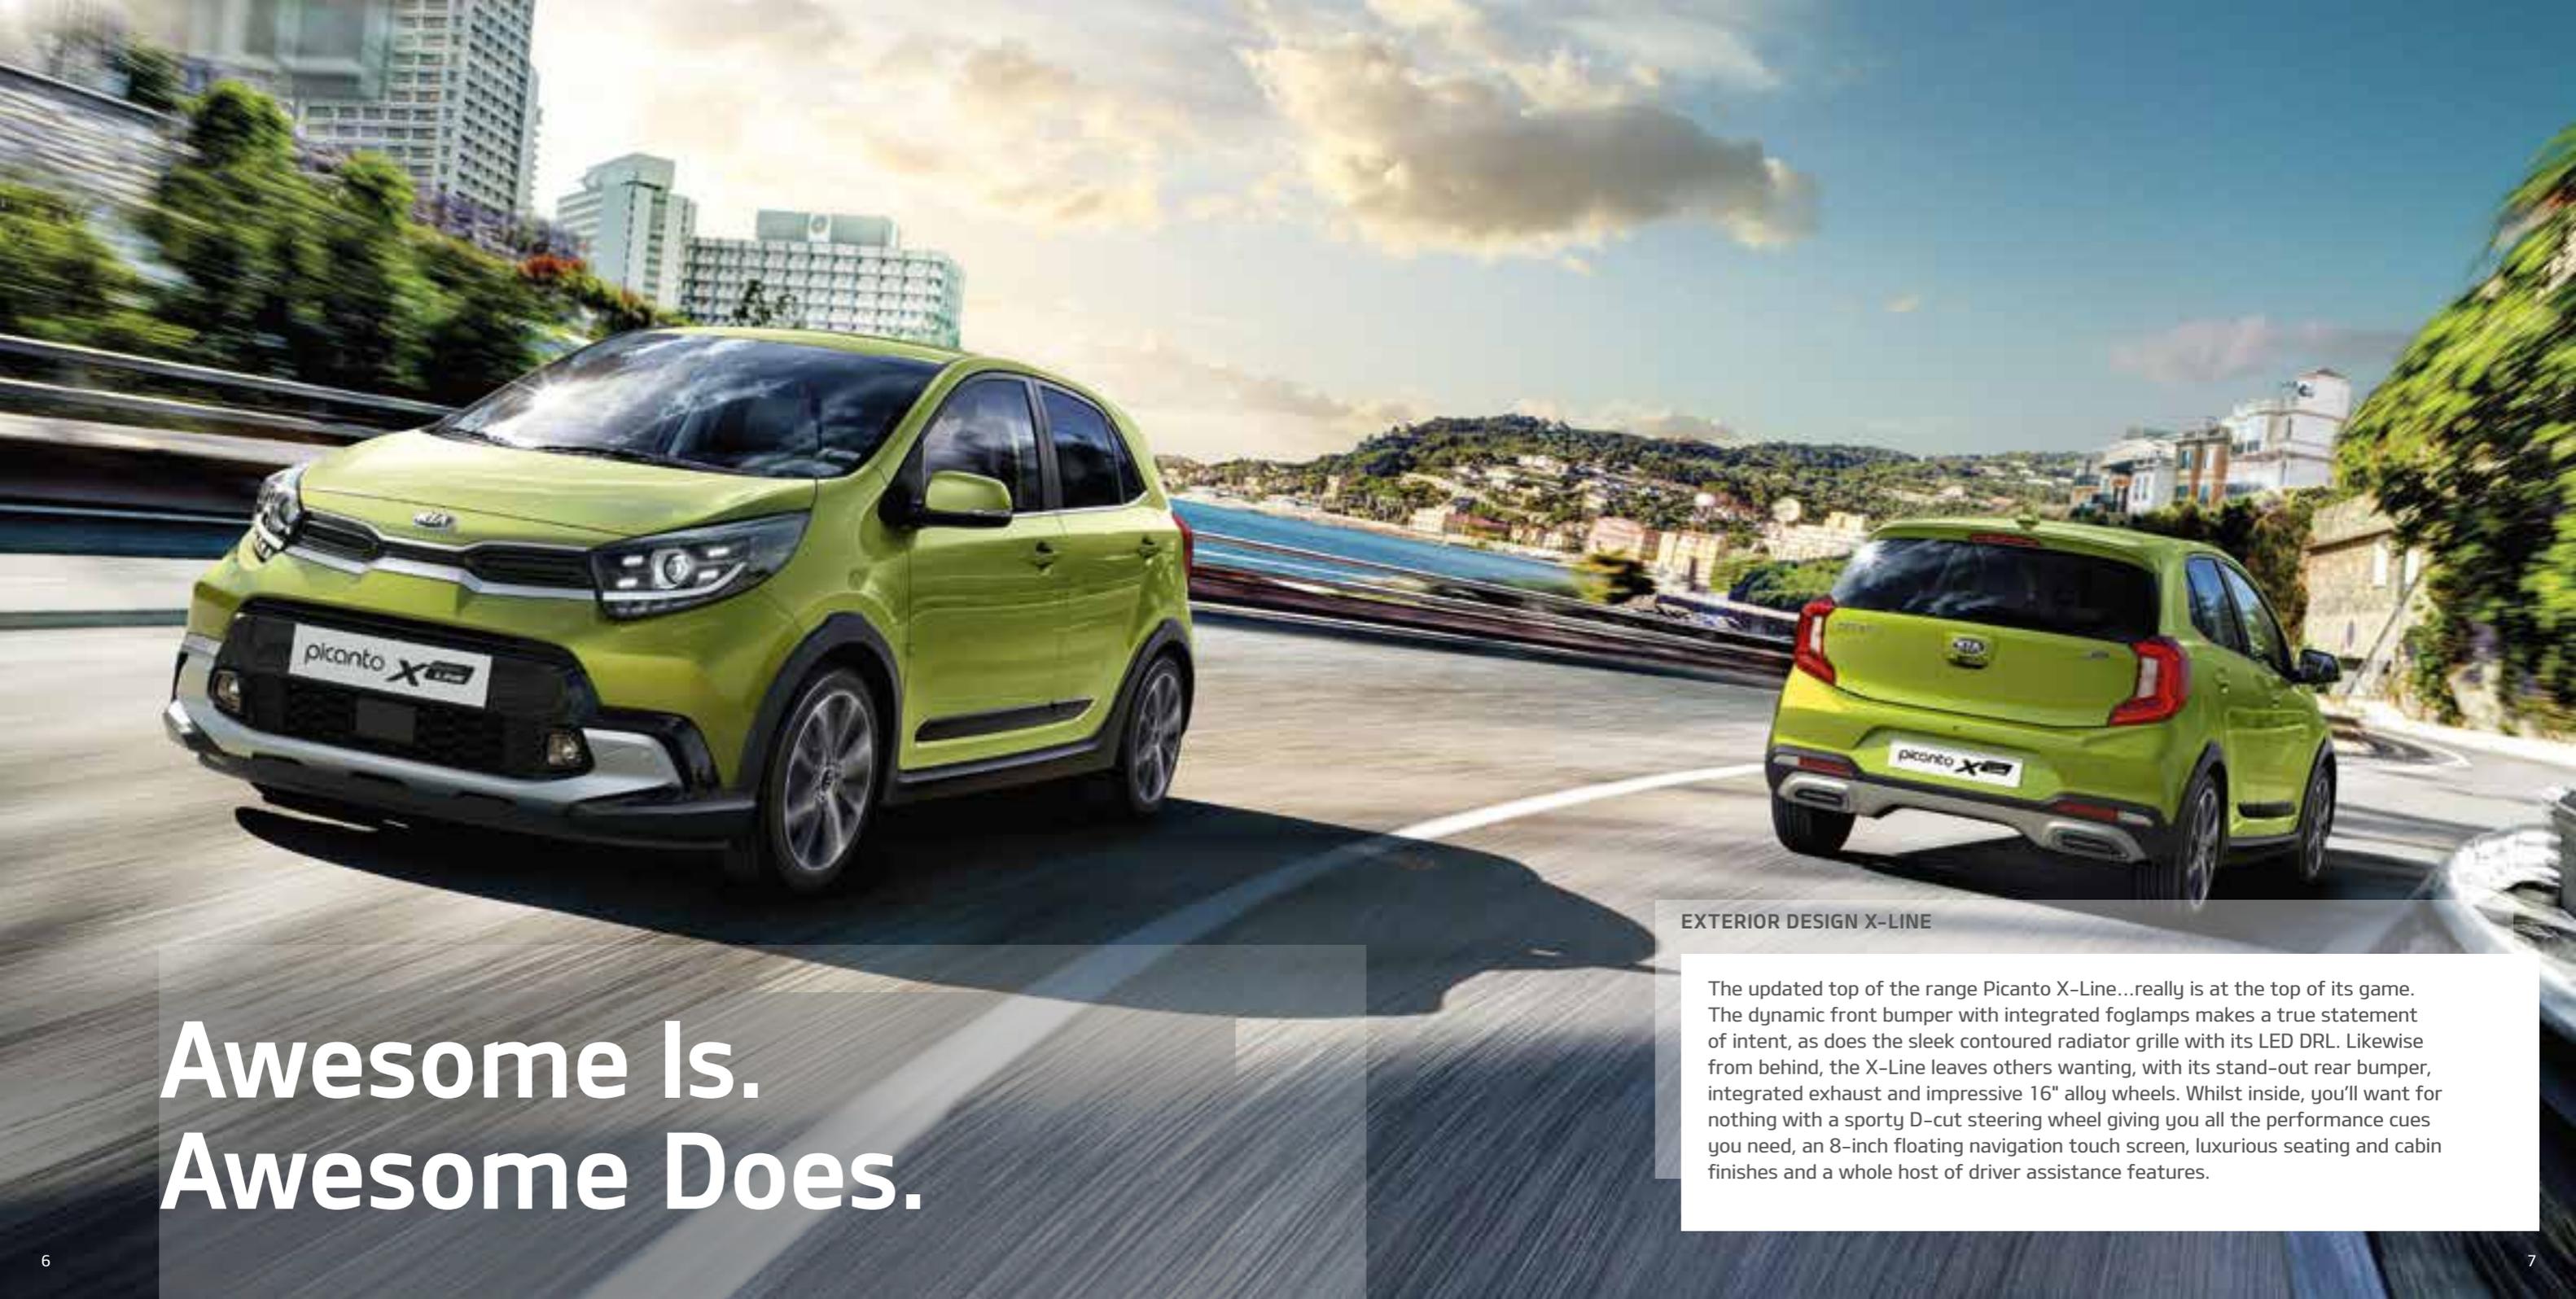

When life is all about living the moment...the fun, fashionable and truly cool place to be seen in is the new Kia Picanto. With its sporty compact design, comfy interior, smart ways to stay connected and advanced technologies to keep you safe, it's a car that loves to be seen, admired and wanted wherever it goes.

# Cool Compact. Hot Stuff.

EXTERIOR BASELINE

What's not to love about the stylish and bang-on-trend design of the Kia Picanto? From its eye-catching exterior with signature grille and bumper, restyled front headlamps to the new rear tail lamps, this is one chic model that's ideal for zipping around the city or zooming out on the open road. Plus, with a choice of 10 trendy body colours to choose from, you can pick the perfect Picanto that's truly you.

A dynamic advertisement for the Kia Picanto X-Line. The image shows two bright green cars driving on a road that curves through a city. The car in the foreground is shown from a front-three-quarter view, while the one behind is from a rear-three-quarter view. The background features modern buildings and a clear sky with some clouds. The overall mood is energetic and modern.

**Awesome Is.  
Awesome Does.**

#### EXTERIOR DESIGN X-LINE

The updated top of the range Picanto X-Line...really is at the top of its game. The dynamic front bumper with integrated foglamps makes a true statement of intent, as does the sleek contoured radiator grille with its LED DRL. Likewise from behind, the X-Line leaves others wanting, with its stand-out rear bumper, integrated exhaust and impressive 16" alloy wheels. Whilst inside, you'll want for nothing with a sporty D-cut steering wheel giving you all the performance cues you need, an 8-inch floating navigation touch screen, luxurious seating and cabin finishes and a whole host of driver assistance features.

# Comfort in style. Charisma in abundance.

Slide inside the Kia Picanto and you can't help but be impressed by its cool and colourful interior that feels super compact and yet amazingly spacious. With intuitive modern design, premium materials, ergonomic seating, cutting edge technology and the latest safety and driver-assisted features, it's a real feast for all the senses. So go on. Get in, get comfy – and experience the delights and take it away.

INTERIOR DESIGN

### 7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

### New 8-inch floating touch screen navigation system

The classy infotainment system, with the 8" high-definition multimedia screen, keeps you fully and easily on track with navigation, real time updates and more, using On-Board Services and App Services – UVO\* app. (\*Kia UVO Connect is only available in certain countries.)

# Smart connections. Clever Thinking.

Living in the moment means always being on. That's why the Picanto is stacked with smart ways to keep you in touch and connected 24/7 as well as endlessly entertained. What's more, you can stay fully informed with the innovative On-Board Services, which include Kia Live services such as Live Traffic, Live Parking and Live Weather as well as Smartphone App Services such as Remote Door Lock and Unlock. Who says you can't have it all?

## CONVENIENCE AND COMFORT

**New 4.2 inch colour Supervision digital cluster**  
The vivid colour LCD screen displays a whole range of essential vehicle status and trip data to keep you fully informed.

**Wireless phone charger**  
Go wire free, with optional wireless charging for compatible smartphones. The charging pad is at the front of the centre console for easy access.

**Sun visor illumination lamps**  
It's easy to stay stunning with the handy illumination lamps. Simply pull down the sun visor and open the mirror to activate. There are lights at each side of the glass, as well as a striking U-shaped mood light around the sides and bottom.

# Neat size. Surprising space.

## CONVENIENCE & COMFORT

The Kia Picanto may be cleverly compact, but it sure has a load a space. In fact, once inside, the whole thing is surprisingly spacious, with plenty of head, shoulder and legroom – even in the rear. Add to that some really slick extras like heated steering wheel and front seats plus a ventilated driver seat, and everyone will want to pile in for the ride.

# Efficient Engines. Effective Anywhere.

The Kia Picanto offers three highly reliable gasoline engines that are designed to be highly efficient both in terms of performance and CO<sub>2</sub> emissions, so they are perfectly suited to meeting city regulations as well as exceeding your expectations on the open road.

Take your pick from the svelte and smooth running 1.0 litre DPI engine combining efficiency and power; get feisty with the 1.2 litre DPI engine for a powerful package offering performance and quiet efficiency; or turbo charge your drive with the 1.0 litre TGDI gasoline turbo direct injection engine, for breathtaking all-round performance.

POWERTRAIN

### Manual Transmission

The Picanto's 5-speed manual transmission is more than just a highly efficient gear shift. It has been specifically optimized to give a higher torque and a longer gear ratio, which means the 1.0 TGDI model not only offers a quicker acceleration and top speed, it also makes gear changing super smooth and much more responsive. The result is a more pleasurable driving experience for you and your passengers as you move seamlessly between gears, whether you're in the city or on the open road.

### Automatic Transmission with Manual Mode (AMT)

AMT (automated manual transmission) is an exciting, new and easy way to drive, and works just like any other automatic transmission – except when you fancy some old school “hands-on gear changing” fun you can switch to manual mode. When you're in manual mode, there's no clutch to worry about, thanks to the simple shift mechanism. What's more, AMT comes with a creep function, allowing you to move slowly by releasing the brake pedal, very useful in city traffic. In its heart there is manual gearbox layout that is automated by an electric clutch, which turns it to an automated gearbox with important fuel efficiency improvements versus the previous automatic transmission.

**ISG (Idle Stop & Go)**  
ISG technology comes as standard on all Picanto models and is designed to reduce fuel consumption by shutting down the engine when the vehicle is at a standstill.

# Safety first. Safety All Ways.

The Kia Picanto sets the standard for an extensive range of inbuilt active safety features that come as standard to ensure that you always stay safe, alert, informed and forewarned. That means a whole host of assistance features for every aspect of your driving, from packed city streets, to tight parking spaces from staying in lane to avoiding the hazards of collisions.

## SAFETY & ASSISTANCE

### Reverse Parking Distance Warning (PDW)

Ideal for confident parking, PDW uses ultrasonic sensors mounted on the rear bumper to warn of any obstacles in front or behind, when manoeuvring into a parking space.

### Rear-View Camera with dynamic guidelines

As you reverse into a parking spot, the waterproof rear camera will project an image onto the 8" floating display, along with dynamic guidelines to help you into place.

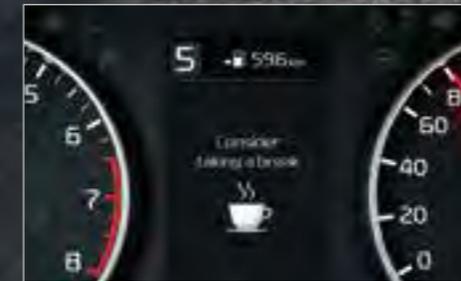

### Rear Cross Traffic Collision Avoidance Assist (RCCA) & Rear Cross-Traffic Collision Warning (RCCW)

To help make reversing safer – especially when you're reversing out of a parking space with limited visibility, RCCA reduces the risk of an accident by using radar sensors to monitor the traffic behind you. If a vehicle is approaching from the left or side, RCCA will alert you with a warning symbol on the side mirrors, an audible alert, an alert in the cluster or 8" centre display and apply the brakes if appropriate.\* RCCA requires cars equipped with AMT transmission. Cars with MT, can be equipped with RCCW that is able to warn the driver but not apply the brakes.

### Blind-Spot Collision Warning (BCW) & Blind-Spot Collision Avoidance Assist (BCA)

When you want to change lane, the BCW system detects any vehicle(s) in your blind spot and warns you with a warning symbol in your side mirror and an audible alert. If your car is equipped with an AMT transmission and you start to change lane whilst a car is in your blind spot, the Picanto's BCA system may apply the brakes to avoid a collision, together with displaying warning signs on the mirrors and an audible alert.

### Driver Attention Warning (DAW)\*

DAW detects if you're losing concentration by monitoring your steering wheel and turn signal. For example, if you're showing signs of drowsiness, DAW encourages you to take a break with an audible warning and by activating the coffee cup signal in the instrument cluster.

\*In order to benefit from the DAW system, your vehicle needs to be equipped with the optional LKA (Lane Keeping Assist) system.

### Forward Collision-Avoidance Assist (FCA)

Using radar data from your vehicle, the FCA system analyses information about preceding cars and pedestrians to avoid a potential collision with them. If it estimates a potential collision, a warning signal appears on your instrument cluster and maximum braking power is applied.

# Great choice. Good times.

Life is more fun with choices, and the great news is that the Picanto comes with three – the cool Picanto Base Line, the exciting GT-Line and the super stylish X-Line. Even better, once you decide what Picanto is right for you, you can then add a little extra fun and personalisation with a range of trim packages that let you make your own kind of statement.

# Custom Look. Perfect Fit.

When it comes to extras, the Picanto knows its stuff with a wide range of must-haves to customize your new car. After all, it's not who you know, it's what you show.

## FEATURES

**Sunroof**  
Enjoy the breeze with a sunroof that opens and closes smoothly with a simple press of a power button.

**Audio system**  
The optional five-speaker, compact 3.0 audio system with RDS and DAB includes a flat, mono TFT-LCD screen. In addition to radio, it offers connectivity with portable devices through USB port.

**Auto Temperature Control**  
Enjoy one-touch comfort with Auto Temperature Control. Just set your preferred temperature, and the automatic system will monitor and maintain it until you change or cancel the setting.

**TPMS (Tyre Pressure Monitoring System)**  
TPMS alerts you when a tyre needs pressure adjustment, by displaying the information on the cluster screen.

**Smart key with Button Start**  
The Smart Key remote lets you unlock or lock the doors without a key, and allows you to start the car simply by pushing a button.

**MDPS with tilt steering wheel**  
Motor-Driven Power Steering simplifies turning, while a tilt steering column helps you get in and out.

**USB port**  
Connect audio players and mobile devices via USB.

**Segmented cluster LCD**  
Keep vital information front and centre with the segmented cluster, located between the instrument dials.

**Auto light control**  
Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

**Alloy pedals**  
Racing-inspired alloy pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

**Body-colour outside mirrors**  
Get a more luxurious look with body-coloured outside mirrors. Available heated, folding, and with side-marker repeaters.

**Android Auto/ Apple CarPlay**  
Bring the best of your smartphone devices in the car while driving. Every Picanto with 8" display supports Android Auto and Apple CarPlay.

# Sit back. In style.

Take your seats for true comfort that's endlessly chic to the eye and beautiful to the touch. From stunning cloth to stylish artificial leather, to a bold sports package, you're bound to find the perfect seating to suit you and your passengers for years to come.

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions. Fuel consumption (l/100 km)/CO<sub>2</sub> (g/km): urban from 4.9 to 5.8, extra-urban from 4.1 to 4.5, combined from 4.4 to 4.8. The specified consumption and emission values were determined according to the legally prescribed measurement procedures (EU) 2017/1153. The above values have been tested in the new WLTP (Worldwide Harmonized Light vehicle Test Procedure) test cycle and converted back to NEDC (New European Driving Cycle) in addition measured according to the RDE (Real Driving Emissions) method.

# All the peace of mind you'll need.

## PEACE OF MIND

### 7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Stay in touch with Kia

Visit [www.kia.com](http://www.kia.com) for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

### Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

### The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.
