

The new Kia

STONIC

The Power to Surprise

Expand your horizons

If living the dream excites you, then driving the dream will too ... in the Kia Stonic range. Take your pick from the exciting Stonic Baseline or exhilarating Stonic GT Line and discover a whole new world of possibilities and experiences in every journey.

Be true to your own identity

Living in the moment means no boundaries, and that's exactly what you can expect inside the new Kia Stonic. Sculpted contours immediately please the eye and the senses, making driving fresh and fun. The D-cut steering wheel is shaped to stay clear of your legs, whilst the other controls are designed and positioned to place you and your demands in perfect unison.

Grasp every moment

Created for drivers who seize every moment, push every boundary and relish every adventure, the Kia Stonic GT Line has been created to deliver real excitement and a true free spirit. With its muscular sporty design, featuring a dynamic front grille, and customizable bumper air intake garnish that cleverly match the roof colour, to the assertive rear roof spoiler and dual exhaust - all combined with exceptional handling and outstanding performance - the Kia Stonic GT Line is for those who always demand and expect more from life.

Embrace every adventure

When excitement comes knocking, the Kia Stonic GT Line is the first to answer, with style and substance to match. Stand back and admire its impressive front grille and customizable bumper, that feature air intake holes to match the roof colour you choose; its LED fog lamps nestled perfectly into the sporty skid plate, and the stunning 17" alloy rim wheels. Then take a look at the rear and notice the standout sporty rear bumper and eye-catching diffuser with integrated dual exhaust, as well as the striking roof spoiler and GT Line signature logo. All in all, as soon as you see the Stonic GT Line, you'll know this is a car that yearns to be part of your next adventure.

Customizable front bumper

Make a personal statement with the customizable GT Line front bumper, featuring three eye-catching air intake holes, highlighted in the same accent colour to match the roof colour that you choose.

Rear dual exhaust

Leave a lasting impression with the GT Line's dual exhaust, housed in the sporty rear bumper and diffuser.

GT Line custom alloy wheels

For extra panache and serious style envy, the GT Line comes with exclusive eight-spoke 17" rim alloy wheels in stylish silver with graphite colour highlights.

Experience the exceptional

When you set the highest possible standards for the way you live your life, then the interior of the Kia Stonic GT Line is a joy to behold and experience. From the moment you sit inside you'll discover a whole host of specially designed features, including a sporty GT Line badged D-cut steering wheel with perforated leather and white stitching, a stunning black carbon-finish dashboard and contemporary ergonomic seats in black cloth and faux leather with white stitching and piping. What's more, there's a 4.2" fully digital instrument cluster and an 8" colour screen navigation system with reversing camera display, plus Kia's advanced UVO Connect, to keep you constantly connected with your car.

Seize every second

When you're in control, information is essential, and the new Kia Stonic puts it right where you need it, while banishing any distractions. Bluetooth technology offers hands-free access to your phone using voice recognition, whilst the state-of-the-art information system with its floating colour touch screen keeps you fully informed and entertained.

4.2-inch supervision cluster

Between the speedometer and tachometer, the screen displays auto and audio information. An optional TFT-LCD screen offers multiple languages and pop-up messages too.

USB front charger

A USB outlet lets you charge mobile phones and other compatible devices.

Rear USB charging port

A USB jack at the rear of the centre console lets rear-seat occupants charge their devices too.

8" colour screen navigation system

The multi-language system includes a high-definition 8" TFT-LCD screen and a reversing camera display.

7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

Share the experience

Special moments in life are more fun when you share them with friends and family. That's why the new Kia Stonic's roomy interior can seat up to five people with ample space for stretching and relaxing. And when you're on the move or simply chilling out, the up-to-date entertainment choices, automatic air conditioning and heated front seats make the whole experience even more inviting.

Open to any possibility

When routine is the last word on your mind, the Kia Stonic is designed to put your plans and dreams in motion. With folding and split seats, and spacious interior and flexible capacity from 352 litres to a huge 1,155 litres, it's easier than ever to set out and explore or simply tackle whatever the day brings.

Adjustable cargo floor

Position the cargo area floor higher to be flush with the folded seat backs (left) or lower to accommodate tall items (right). (The cargo floor in Mild Hybrid versions is always positioned lower.)

Folding rear seats:

Rear seats fold nearly flat, so you can fit long or bulky items in the extended cargo space.

60:40 split-folding rear seats:

The rear seat backs split 60:40 and fold flat separately, offering you useful choices for managing cargo and passenger space.

Dynamic in every way

When you're just as happy zipping around the city streets as you are exploring what's over the next horizon, the Kia Stonic's choice of two extremely reliable petrol engines offers dynamic performance with lower emissions, making every drive you make a joy and a pleasure.

A/T & 7-DCT

Automatic transmission

Enjoy smooth acceleration, agile gear shifts and fuel economy with the 7-speed DCT Dual Clutch Transmission.

5 M/T

6 M/T

Manual transmission*

The 5- and 6-speed transmissions* offer quick, smooth gear changes and gear ratios that are matched to engine torque curves, boosting power and efficiency.

*5M/T is available only for Baseline models.

Anticipate the unexpected

With Stonic's DRIVE WISE technology, being at the wheel is simply more satisfying. Whether you're parking, manoeuvring city streets, in the fast lane or on the open road, DRIVE WISE features watch out for trouble, alert you and even step in to help you stay in the clear.

Rear Cross-Traffic Collision Warning (RCCW) & Rear Cross-Traffic Collision Avoidance Assist (RCCA)

When you back out of a parking spot or driveway, the radar-based RCCW warns you if it detects cross traffic in the lane the vehicle is entering. The RCCA system will automatically apply the brakes in order to avoid a collision with a vehicle crossing your path.

Forward/Reverse Parking Distance Warning (PDW) with Switch On/Switch Off button

Ideal for confident parking, PDW uses ultrasonic sensors mounted on the bumpers to warn of any obstacles in front or behind when manoeuvring into a parking space. The audible beeps can be switched on or off.

High Beam Assist (HBA)

Responding automatically to the brightness of the lights of other vehicles and road conditions, HBA switches off the high beams temporarily to reduce glare that may affect other drivers.

Driver Attention Warning (DAW)

To help prevent distracted or tired driving, DAW monitors driver and vehicle inputs. If it senses reduced attention, it sounds a chime and displays a warning in the supervision cluster display.

DRIVE WISE

SAFETY

CONVENIENCE

EFFICIENCY

DRIVE WISE uses the latest Advanced Driver Assistance System (ADAS) technologies to ensure occupant and pedestrian safety at all times, while never sacrificing the pleasure of driving.

Forward Collision-Avoidance Assist (FCA)

Combining radar and camera data, FCA activates the brakes when it detects sudden braking by a car ahead, and can stop completely from speeds up to 60 km/h. If FCA senses a pedestrian or cyclist ahead, it warns you. If you don't respond, it will brake for you to avoid a potential collision or lessen its impact.

Safety at your fingertips

Every drive and every adventure has its pleasures and its challenges, and that's why no matter what sort of driving you're doing, the Kia Stonic delivers innovative features and cutting-edge technology to keep you and your passengers as safe as possible. So whether you're heading out for your next exciting road trip or heading into the city, you'll always know you and your passengers safety are being well protected.

Blind-Spot Collision Warning (BCW) & Blind-Spot Collision -Avoidance Assist (BCA)

When you want to change lane, the BCW system detects any vehicle(s) in your blind spot and warns you with a warning symbol in your side mirror and on your centre display together with an audible alert. If you start to change lane whilst a car is in your blind spot, besides the warning the Stonic's BCA system will also automatically apply the brakes to avoid a collision.

Intelligent Speed Limit Warning (ISLW)

The Intelligent Speed Limit Warning gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster so you can take any action needed.

Lane Keeping Assist (LKA)

When you start drifting out of your lane, LKA alerts you and corrects your steering to keep you in the lane.

Smart Cruise Control (SCC)

Using in-built radar, Smart Cruise Control can regulate both the Stonic's speed and the distance to the car in front. The system maintains the distance to the preceding vehicle by automatically adjusting your car's speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed. If the vehicle ahead picks up the pace, the Stonic accelerates up to the set speed.

Lane Following Assist (LFA)

The system uses camera and radar sensors to maintain a safe distance to the preceding vehicle and monitors road markings to keep your car in the centre of your lane.

Keep them guessing

Because you don't do everyday, the Stonic doesn't either. So you'll find refreshingly bold and lively colours that bring out the best in its contours and express the free spirit in you. You can even customise your Stonic with a two-tone body colour by choosing one of the special roof-colour options.

Baseline & GT Line

Baseline

Make it a colourful life

Colours say a lot about your attitude towards life and how you challenge it. So the Stonic is available in exciting combinations of colours to make your mark. Refreshingly lively interior colour packages also help to complete the look, with appealingly coordinated seat stitching, embroidered seat-back patterns as well as dash and console trim elements. Every combination also includes the stylish D-cut steering wheel with colour stitching.

Yellow package

Two-tone grey interior

Two-tone medium grey cloth and artificial leather trim seats, featuring coloured embossing with yellow stitching that matches the tone of the funky yellow dash and centre console trim. The door armrests are a lighter grey.

Orange package

Two-tone grey interior

Two-tone medium grey cloth and artificial leather trim seats, featuring coloured embossing with orange stitching that matches the tone of the striking orange dash and centre console trim. The door armrests are a lighter grey.

Grey package

Two-tone grey interior

Two-tone medium grey cloth and artificial leather trim seats, featuring coloured embossing with grey stitching that matches the metallic silver of the dash and glossy black centre console trim. The door armrests are a lighter grey.

Blue package

Two-tone grey interior

Two-tone medium grey cloth and artificial leather trim seats, featuring coloured embossing with yellow stitching that matches the tone of the charismatic blue dash and centre console trim. The door armrests are a lighter grey.

Relish every detail

Whether your style is urban or outdoorsy, let your personality shine through with a Stonic interior treatment and make your own personal statement. You can choose from a variety of tasteful and durable colour and fabric treatments that shout (or whisper) the real you.

Grey Two-Tone Interior

EX two-tone grey artificial leather trim

The grey artificial leather trim is embossed in a subtle diagonal plaid arrangement of micro-perforations for breathability. Matching trim on the doors and dash gives the interior a welcoming ambience.

Black One-Tone Interior

EX black artificial leather trim

Black artificial leather trim is embossed in a subtle diagonal plaid arrangement of micro-perforations for breathability. Consistently luxurious deep black trim on the doors and dash gives the interior an elegant ambience.

Black One-Tone Interior

EX standard cloth

A pleasing combination of soft tricot and lightly patterned woven cloth seat material provides comfort and support. The doors and dash feature trim and painted metal in colours that complement the shades of the cloth trim.

Black One-Tone Interior

LX standard cloth

The interior is upholstered in a combination of soft tricot and woven cloth with a muted dark grey pattern. The coordinated door and dash trim provides a consistently fresh and relaxing environment.

GT Line Black One-Tone Interior

Stunning dedicated GT Line interior includes a GT Line logo on the steering wheel, a carbon-finish dashboard and a D-cut steering wheel in perforated leather with white stitching. Ergonomically designed seats in black cloth and faux leather feature white stitching and white piping trim for extra dynamic style.

Equip yourself for every eventuality

Short hops? Commutes? Weekend getaways? Adventures into the unknown? Whatever your needs, only you can decide what your vehicle is to you and what belongs in it. That's why the Stonic offers a wealth of equipment to help make it feel like it was custom-made for you from the start.

Full LED headlamp design

Eyes front ... the Kia Stonic comes with a brand-new and truly stylish 4-lamp headlamp design that integrates beautifully with the sleek sweep of the front bonnet. What's more, by using advanced light source technology, the new full LED headlamps produce a more powerful light for more precise illumination and clarity, allowing you to better detect obstacles and navigate the road ahead.

Smart key and Button Start

When you have the Smart Key with you, you can simply access your car and start the ignition with a mere push of a button.

Heated steering wheel

On cold mornings, the heated steering wheel is more welcoming and easier to grip.

Overhead console lamp with sunglasses case

An overhead console helps you stay organized and keeps your sunglasses just where you can find them, while keeping your eyes ahead.

Heated front seats

With 3 adjustable temperature settings, the heated front seats and seat backs warm up quickly and then level off after the desired temperature is reached, ensuring complete comfort and safety.

Rear-view Monitor with Parking Guidance

The rear-view camera projects dynamic, bending guidelines onto the image in the 7" dash display to recommend a path.

Rain sensor

When it detects raindrops on the windscreen, the rain sensor activates the wipers accordingly.

Centre console armrest

The comfortable sliding armrest is coordinated with the interior trim and integrated with a console that includes two cupholders and a storage compartment.

Stand out from the crowd

With its striking silhouette and muscular contours, the Stonic will always draw longing glances. But you can stamp your own extra personality on it by choosing to add upgraded wheels. After all, only you know what you want to say.

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions. Fuel consumption (l/100 km)/CO₂ (g/km): urban from 4.5 to 6.6, extra-urban from 3.8 to 4.7, combined from 5.2 to 6.1. The specified consumption and emission values were determined according to the legally prescribed measurement procedures (EU) 2017/1153. The above values have been tested in the new WLTP (Worldwide Harmonized Light vehicle Test Procedure) test cycle and converted back to NEDC (New European Driving Cycle). In addition measured according to the RDE (Real Driving Emissions) method. * WLTP

Bring on the future

7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Stay in touch with Kia

Visit www.kia.com for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

Kia high-voltage lithium-ion battery units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV) are built to have a long life. These batteries are covered by the Kia warranty for a period of 7 years from initial registration or 150,000 km, whichever comes first. For low-voltage batteries (48 V and 12 V) in mild-hybrid electric vehicles (MHEVs), the Kia warranty covers a period

of 2 years from initial registration regardless of mileage. For EVs only, Kia guarantees 65% of the battery capacity [available at the time of delivery]. Reduction of battery capacity in PHEV, HEV and MHEV is not covered by the warranty. To minimize possible capacity reduction, follow the instructions at [www.kia.com] or consult the Owner's Manual. **Find more information about Kia warranty at [www.kia.com].**

The Kia 7-year warranty

Kia warranty covers a period of 7 years from initial registration or 150,000 km, whichever comes first. Valid in all EU member states (plus Norway, Switzerland, Iceland & Gibraltar). Deviations according to the valid guarantee conditions, e.g. for battery, paint and equipment, subject to local terms and conditions. **Find more information about Kia warranty at [www.kia.com]**
