

The new Kia  
**SORENTO**

The Power to Surprise

---

Life is what you make it.  
Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

# Go your own way ... with the new Kia Sorento family

---

When life is about having it your way, without compromises, the new Kia Sorento seven-seater SUV range with electrified powertrain is the only way to go. Offering sleek and powerful design combined with outstanding space, comfort and luxury, the new Sorento SUV hybrid produces lower emissions, so you don't have to worry about city bans ... or wagging fingers. Or else there's the exciting new Sorento diesel SUV. It's your choice which way you want to go.

---

## Set your own standards

Step away from the everyday and admire the all-new design of the Kia Sorento, with its robust, stylish features designed to perfectly match the power of its electrified powertrain. With distinctive new contours and wheel arch cladding, body colour door handles with a touch of satin chrome, sleek trim and side sills, and distinctive daylight opening graphic, the Sorento Hybrid perfectly combines on-road sophistication with off-road thrills, while at the same time producing lower emissions.

---

## Forge your own terrain

---

Wherever you're going, the new Sorento Hybrid takes you there in style and comfort, with new design features that leave a lasting impression. You'll find new light technology with vertical LED tail lamps, a sporty rear skid plate and eye-catching garnish, and a slick roof spoiler in gloss finish with integrated rear wiper and designer Sorento lettering for even more presence from behind. In fact, the Sorento makes a statement whichever way you look at it.

## Savour your own delights

---

No matter where you are or where you're going, inside the newly designed Kia Sorento you'll find the latest technology and connectivity, ergonomically combined with luxurious space, style and comfort. Ease into the high-quality interior with ambient lighting and discover Black Quilting Nappa leather seats with black roof liner or two-tone black and grey leather seats. Then there's the satin-effect dash garnish featuring 3D embossing and semi-chrome decor

as well as glossy black accents throughout the cabin to match the sporty exterior. Sit back and marvel at a 10.25" frameless navigation system with Kia's UVO Connect as well as a 12.3" fully digital supervision display. Then hit the road and enjoy the Bose® premium sound system with 12 speakers and a rotary gear shift dial. Your way, your style ... without compromise.

#### ECONOMICAL BOOT CAPACITY WITH SECOND-ROW ONE-TOUCH REMOTE FOLDING

The Sorento can be transformed quickly from five seats to seven seats as well as easily reconfigured to create a generous luggage hauler or explorer with up to 910 litres of luggage space. For easy folding of the second-row backrests straight from the tailgate area, you'll find two one-touch remote-folding buttons, one for the left and one for the right, to make it quick and simple.

3rd row partially folded

3rd row folded fully flat

3rd row folded fully flat and 2nd row partially folded

2nd row partially folded (5-seater)

#### SEAT SPLIT OPTIONS

Whatever you've got planned and whatever you want to carry, the Sorento comes well prepared.

2nd row folded fully flat (5-seater)

## Maximize your options

When your head says let's push boundaries, the Sorento says let's do it in style. That's why you'll find the ultimate in comfort, space and flexibility wrapped inside its bold exterior design.

Effortless loading is simple, with different tailgate height options that can be stored to suit different drivers' heights using the memory button under the tailgate. Simply press and hold the button for three seconds – it's as easy as that.

---

# Share the experience

When you know the way you go, it's also great to know that your loved ones can share the Sorento experience in its ergonomically designed, spacious and comfortable cabin.

---

HEAD-UP DISPLAY (HUD)

Stay safe and sound: to ensure you keep your eyes on the road, the HUD projects graphics and other driving-related information onto the windscreen, directly in your line of sight.

360° SURROUND VIEW MONITOR

Assurance all round: this intuitive system combines four wide-angle images from cameras on the front, rear and sides of the vehicle to give you a comprehensive bird's-eye view of the space around the Sorento while parking or moving at speeds below 20 km/h.

MOOD LIGHTING

For the perfect atmosphere, you'll find mood lighting in the doors and under the dash, with a choice of seven core colours and up to 64 other colours to suit your mood and make every trip as peaceful or exciting as you want to make it.

## POWER MEMORY SEATS

Up to two different drivers can set their mirror and seat preferences using the integrated memory system. For added comfort and convenience both the driver and front passenger seats come with lumbar support. What's more, the driver seat has a cushion that is extendable and integrates the far-side airbag, which prevents the driver's and passenger's heads coming into contact in the event of a collision.

HEATED AND VENTILATED SEATS

Whatever the weather, when it's cold outside, the first and second-row seat cushions and backrests can be heated. On warm days, the driver and front passenger can enjoy seats with ventilated cushions and backrests.

# Stay constantly connected

From the moment you sit inside the new Kia Sorento you'll discover an array of the latest information and entertainment technology, designed to put you in complete control for whatever adventures lie ahead.

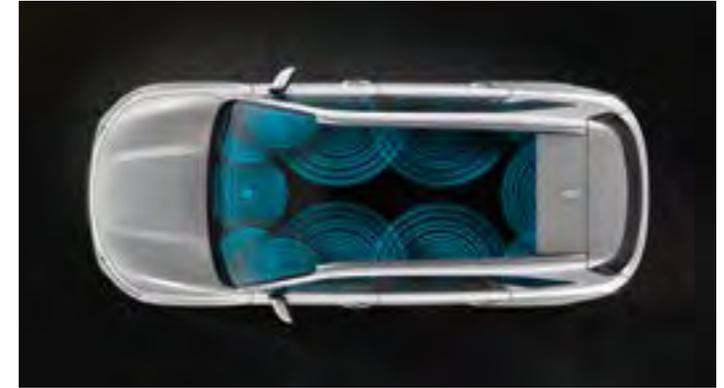

10.25" NAVIGATION SYSTEM

Select your destination via the highly visible frameless 10.25" touch screen premium navigation system, featuring the exclusive UVO Connect digital system called Kia Live, which delivers live navigation updates. What's more, it comes with a seven-year map update and is compatible with Android Auto and Apple Car Play.

## 7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique program ensures your navigation system is always up-to-date.

BOSE® PREMIUM SURROUND SOUND SYSTEM

Experience the very best in-car entertainment with 12 speakers, an external amplifier and cutting-edge technology. Transform any stereo or multichannel audio source into an astounding surround sound experience.

USB PORTS AND POWER FOR ALL

Both the first-row seatbacks have integrated USB charging ports for the use of first and second-row passengers. Additionally, the cargo area features USB charging ports on each side for the third-row passengers. What's more, the rear centre console has a USB charge port and 12 V socket as well – perfect for playing games and charging.

WIRELESS SMARTPHONE CHARGER

Forget cables ... you can charge your mobile phone wirelessly and effortlessly by placing it on the charging pad at the front of the centre console.

# Expect the unexpected

No one knows what the road or journey ahead can throw at us and that's why the new Sorento comes with highly refined solutions for a safer journey.

BLIND-SPOT COLLISION-AVOIDANCE ASSIST (BCA)

When you want to change lane, the Blind-Spot Collision-Avoidance Assist system detects any vehicle(s) in your blind spot and alerts you with a warning symbol in your side mirror and on the head-up display inside the car. Should you start to change lane while a car is in your blind spot, the Sorento will automatically apply the brakes to avoid a collision, the side mirror and head-up warning symbols will flash and an audible alert will sound.

BLIND-SPOT VIEW MONITOR (BVM)

Designed to improve visibility for blind spots, the BVM uses side cameras so that when you indicate left or right, your instrument cluster will show the view of the road in your blind spot. Indicate left and it will show you the rear view down your left-hand side; indicate right and it will show the right-side view.

SAFE EXIT ASSIST (SEA)

Designed to help prevent rear passengers from exiting the vehicle when the system detects potential hazards approaching. If that happens, the system will engage the power locks, and give an audible and visual alert.

MULTI-COLLISION BRAKE ASSIST (MCBA)

If your airbag is fired in response to a primary collision, a signal is immediately sent to the Electronic Stability Control system to brake your vehicle. MCBA applies your brakes to prevent a subsequent collision or mitigate its impact.

REAR OCCUPANT ALERT (ROA)

Uses ultrasonic sensors that are designed to detect children or pets in the second or third row, and gives visual and audible alerts if it detects movement inside, before and after the vehicle has been locked.

FORWARD COLLISION-AVOIDANCE ASSIST (FCA)

Evaluating both camera and radar data from your vehicle, the FCA system analyses information about other cars, pedestrians or cyclists crossing the road, to avoid a potential collision with them. FCA also functions to prevent collisions with vehicles when making a left turn at an intersection. If it detects a potential collision, a warning signal appears on your instrument cluster and maximum braking power is applied.

# Protection at your fingertips

The new Kia Sorento helps you stay aware of what is happening around you and of other vehicles, enhancing your comfort and safety on both short and longer journeys.

REMOTE SMART PARKING ASSIST\* (RSPA-ENTRY)

Remote Smart Parking Assist (RSPA) is a convenient parking system that makes it easier when parking your vehicle or exiting from a parking spot by automatically parking or manoeuvring the vehicle. It is also possible to remotely move your vehicle forwards and backwards while standing outside, using a key fob.

INTELLIGENT SPEED LIMIT ASSIST (ISLA)

When you choose to use ISLA, the system uses a camera to read speed limit signs along the road, and displays them beside the speedometer and on the navigation screen. You can then decide to set your speed to the road speed limit or override it.

PARKING COLLISION-AVOIDANCE ASSIST (PCA)

Using its rear-view camera and rear ultrasonic sensors, PCA prevents the vehicle from colliding with pedestrians or nearby obstacles behind you when you park in or exit a parking spot, as well as when travelling at low speeds. If it anticipates a collision with an obstacle, the system warns the driver with visual and audible alerts while engaging the vehicle's brakes to prevent a collision.

REAR CROSS TRAFFIC COLLISION AVOIDANCE ASSIST (RCCA)

To help make reversing safer – especially when you're reversing out of a parking space with limited visibility – RCCA gives audio/visual warnings and assists with braking if the rear corner radar detects a vehicle approaching from the left or right. (If the driver selects Warning Only in the menu, the system will only provide audio and visual warnings without the assisted braking.)

HIGHWAY DRIVE ASSIST (HDA)

HDA maintains the speed set by the driver or the speed limit of the motorway. At the same time, it controls steering, acceleration and deceleration in your lane, while keeping a safe distance from the vehicle ahead. Designed to automatically adjust your speed based on the speed limit of the road detected through the navigation system.

\*Feature only available on Sorento combustion diesel model.

# Putting you in control

Whether short or long, it's good to know that on every journey you take, your Kia Sorento is helping to keep you and your passengers safe and secure.

HIGH BEAM ASSIST (HBA)

When conditions allow, the Sorento will turn on its high beams automatically. When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers.

DRIVER ATTENTION WARNING (DAW)

DAW monitors your steering wheel, indicator and acceleration patterns and warns you if you're losing concentration. For example, when in traffic, if the car in front of you drives away and you don't move it will alert you; or if you're showing signs of drowsiness, DAW will encourage you to take a break.

LANE FOLLOWING ASSIST (LFA)

Kia's level 2 autonomous driving system takes a giant leap towards semi-automated driving. In collaboration with Smart Cruise Control, LFA controls acceleration, braking and steering depending on the vehicles in front. This makes driving in traffic jams easier and safer. The system uses camera and radar sensors to maintain a safe distance to the preceding vehicle and monitors road markings to keep your car in the centre of your lane. LFA works between 0 and 180 km/h.

SMART CRUISE CONTROL WITH STOP & GO (SCC W/S&G) AND NSCC

Using camera and radar, SCC maintains your set speed, ensuring a safe distance between you and the vehicle ahead. It also controls acceleration and deceleration to ensure your vehicle stops when the vehicle ahead does and then moves off when the other vehicle moves again. What's more, SCC is navigation-assisted and uses ADAS map information, allowing it to auto-decelerate your speed on any bends for added safety and to keep within the speed limit.

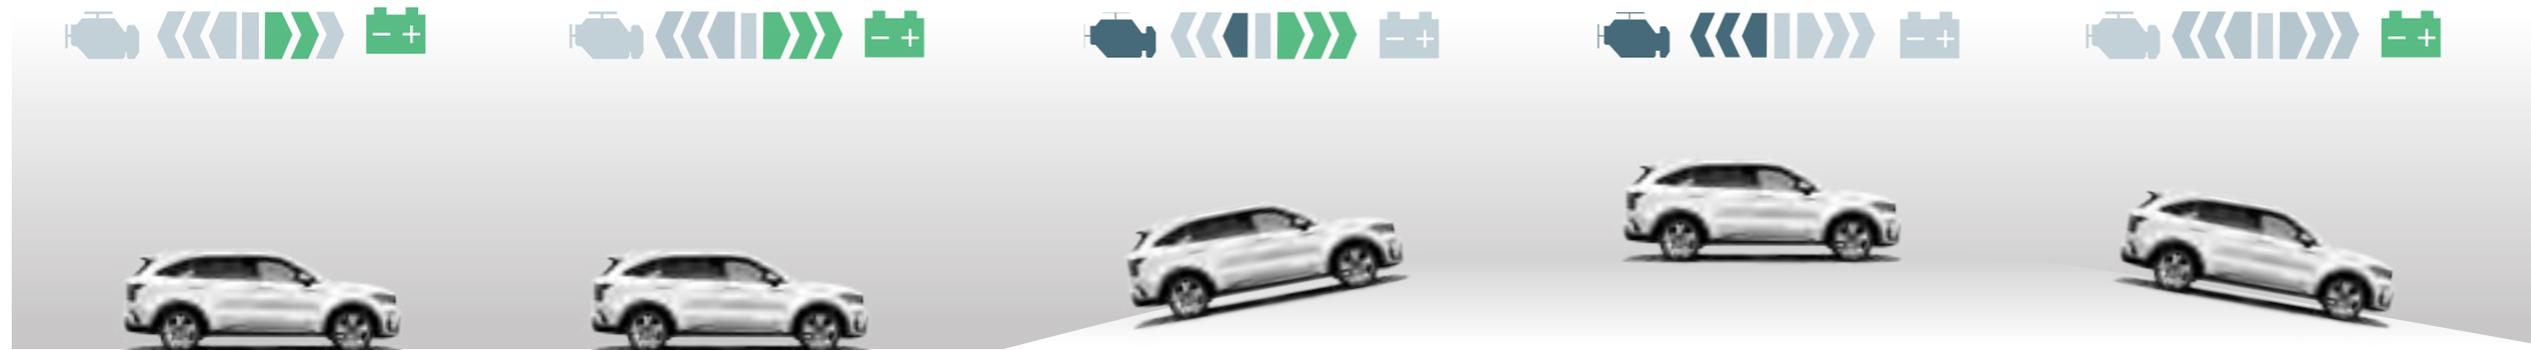

LANE KEEPING ASSIST (LKA)

At your side to keep you focused: a camera at the front of the car monitors lane markings, and if the driver moves out of the lane unintentionally, LKA alerts you and even steers you back to your lane.

# Knowledge is power

LAUNCH

When starting out from a stop, the hybrid system relies entirely on power from the electric motor. This helps reduce fuel use in stop-and-go traffic.

GENTLE ACCELERATION

During mild acceleration, the system also uses power exclusively from the electric motor. It has ample pickup to help you increase your speed.

FUEL ACCELERATION

When accelerating harder, the petrol engine works together with the electric motor to get the car to the desired speed.

GENTLE ACCELERATION

When cruising at relatively constant speeds, the system goes into power-assist mode, where the petrol engine is the main source of drive power.

DECELERATION

The system's regenerative braking takes advantage of every decrease in vehicle speed, capturing energy and storing it in the battery for future use.

12.3" FULLY DIGITAL TFT INSTRUMENT CLUSTER

An intelligently designed, customizable supervision cluster provides temperature information, tyre pressure alerts and other essential vehicle and trip information. It also displays the status of the hybrid charging system, including fuel and battery levels and use. Its high-resolution screen makes it easy to read a wealth of information at a glance.

10.25" NAVIGATION DISPLAY

Easy to read and use, the colour touch screen shows routes, shortest path options and other vital information. It's also linked to the rear-view camera and displays dynamic parking guidelines. The screen can be split in two for easy access to different apps, vehicle information and multimedia content, and also allows you to control the optional 12-speaker BOSE® premium surround sound system, which is compatible with Android Auto™ and Apple CarPlay™.

# All-wheel drive for all-round adventure

---

The new Sorento's all-wheel drive technology is designed to make every drive and adventure more comfortable. Innovative, continuously active all-wheel drive ensures the vehicle maintains excellent traction on rough, loose or slippery surfaces and helps improve lateral stability when cornering. And with the new Terrain Mode Select function, you can easily stay in control by switching between Drive mode and Terrain mode.

# Drive with passion

Go your own way with a range of the latest dynamic engine options. The all-new five-seat and seven-seat Sorento models feature a 1.6 T-GDi HEV electrified petrol engine with 2WD or 4WD. There is also a 2.2 CRDi combustion diesel engine with 2WD or 4WD.

PADDLE SHIFTERS

Refined, chrome-finished paddle shifters coordinate with the rest of the cabin's design, and allow you to change gears swiftly without taking your hands off the steering wheel. They also boost driving dynamics, making it effortless to increase torque faster, while staying in control.

DRIVE MODE SELECT (DMS)

The new automatic transmission offers a choice of drive modes that allow you to customize the powertrain's responses to driver inputs, enhancing your fuel economy or acceleration. The Sorento combustion diesel model offers four drive modes, Eco, Comfort, Sport and Smart, while the Sorento HEV offers Eco, Sport and Smart modes. The Drive Mode Select system also adapts the weight of the rack-mounted power steering system, for more relaxed or more immediate, engaging steering responses.

ROTARY GEAR SHIFT DIAL

Located centrally and within easy reach, the rotary dial operates using shift-by-wire technology, enabling effortless gear shifting. Just as importantly from a safety perspective, it will automatically shift to the parking gear P if the driver forgets to do so.

DUAL-CLUTCH TRANSMISSION (DCT)

The Sorento 2.2 CRDi comes with eight-speed dual-clutch transmission, which results in lightning-quick and incredibly smooth gear changes to give a more dynamic driving performance.

AUTOMATIC TRANSMISSION (AT)

Both the Sorento 1.6 T-GDi HEV and 1.6 T-GDi PHEV come with six-speed automatic transmission, ensuring a smooth transition between gear changes.

TERRAIN MODE SELECT (TMS)

The Terrain Mode Select system puts excitement at your fingertips, offering a smooth transition between Drive modes (Eco, Comfort, Sport, Smart) and Terrain modes (Snow, Mud, Sand). TMS only comes with 4WD (all-wheel drive). Choose Snow mode and it limits wheel slip on icy or snowy roads to ensure stability, while Mud mode allows for more aggressive torque application while limiting transmission upshift, helping wheels to spin to maintain momentum in mud. Sand mode prevents wheels from digging into sand by distributing optimal levels of torque to each wheel.

# Style from the inside

Your Kia Sorento says as much about you inside as it does out. That's why we have a whole range of interior options to choose from, including fabric and all-leather nappa.

For that stylish finishing touch, all leather seats come with brushed TOM film garnish and 3D embossing, while black cloth seats come with a metal-effect paint garnish with 3D embossing. In addition, there is a stunning grey leather seat option and black leather seats featuring a black one-tone detail colour. Black nappa seats are also complemented by a black interior headlining.

GLS OPTIONAL BLACK QUILTED NAPPA LEATHER WITH GREY STITCHING AND PIPING

GLS OPTIONAL 2-TONE GREY/BLACK LEATHER

GLS OPTIONAL BLACK LEATHER

GLS OPTIONAL GREY LEATHER

GL AND GLS STANDARD BLACK CLOTH  
(not available with panoramic sunroof)

# Make your statement

With ten distinctive body colours and the choice of 17", 18", 19" and 20" alloy wheels, there's a new Sorento waiting for you to personalize it to your taste.

## EXTERIOR BODY COLOURS

Take your pick of colour to suit your style.

The Sorento is available in pearlescent, metallic and solid exterior colours.

Clear White (UD)

Snow Pearl White (SWP)

Silky Silver (4SS)

Platinum Graphite (ABT)

Essence Brown (BE2)

Gravity Blue (B4U)

Steel Grey (KLG)

Aurora Black Pearl (ABP)

Runway Red (CR5)

Mineral Blue (M4B)

## ALLOY WHEELS

The Sorento HEV is available with special 17" aerodynamic alloy wheels which help reduce unsprung weight and accentuate the Sorento's muscular and robust character.

17" alloy wheel (for diesel only)

17" alloy wheel (for hybrid only)

18" alloy wheel (for diesel only)

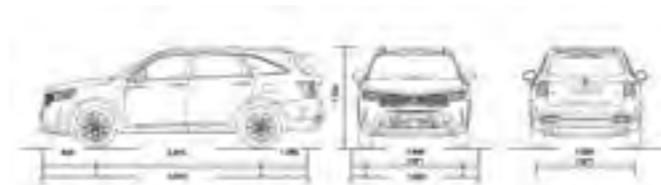

19" alloy wheel

20" alloy wheel (for diesel only)

Shoulder room (mm)	1,500	1,475	1,345

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions. Fuel consumption (l/100 km)/CO<sub>2</sub> (g/km): urban from 5.2 to 7.1, extra-urban from 5.2 to 6.1, combined from 5.2 to 6.2. The specified consumption and emission values were determined according to the legally prescribed measurement procedures set out in (EU) 2017/1153. The above values have been tested in the new WLTP (Worldwide Harmonized Light Vehicle Test Procedure) test cycle and converted back to NEDC (New European Driving Cycle). In addition, they have been measured according to the RDE (Real Driving Emissions) method.

# All Peace of mind you'll need

## **7-year vehicle warranty**

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

## **5-year paint warranty & 12-year anti-perforation warranty**

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

## **Stay in touch with Kia**

Visit [www.kia.com](http://www.kia.com) for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

## **Financing**

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

## **The Kia 7-year warranty**

Kia warranty covers a period of 7 years from initial registration or 150,000 km, whichever comes first. Valid in all EU member states (plus Norway, Switzerland, Iceland & Gibraltar) Deviations according to the valid guarantee conditions, e.g. for battery, paint and equipment, subject to local terms and conditions. Find more information about Kia warranty at [[www.Kia.com](http://www.Kia.com)].

Kia high voltage lithium ion battery-units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV) are built to have a long life. These batteries are covered by the KIA warranty for a period of 7 years from initial registration or 150,000 km, whichever comes first. For low voltage batteries (48 V and 12 V) in mild-hybrid electric vehicles (MHEV), the Kia warranty covers a period of 2 years from initial registration regardless of mileage. For EVs only, Kia guarantees 65% capacity of the battery. Capacity reduction of the battery in PHEV, HEV and MHEV is not covered by the warranty. To minimize possible capacity reduction, follow the instructions at [[www.Kia.com](http://www.Kia.com)] or consult the Owner's Manual. Find more information about Kia warranty at [[www.Kia.com](http://www.Kia.com)].
