

Stay ahead with a fully connected, simple, intuitive and integrated journey experience with Kia Connect<sup>1</sup>.

## In Car Services

### Real Time Navigation

Real time route adjustment for accurate estimated time of arrival.

### Points Of Interest

Easily accessible and up-to-date information on places to eat, local businesses and more.

### Parking

On-street and off-street parking information with colour-coded availability, details, and prices.

### Charging Stations

Information on charging stations for Electric and Plug-in models.

### Fuel Info

Fuel prices of the nearest petrol stations.

### Voice Recognition

Voice recognition system with a combination of pre-set and online voice commands.

### Weather

Three-day forecast at your destination with predicted temperature ranges and chance of rain.

### OTA (Over The Air) updates<sup>2</sup>

Incremental TomTom map and software updates in order to keep Kia vehicles up to date.

## In App Services

### Smarter Charging

Remote start, stop, and scheduling of charging progress.

### Climate Control

Remote activation, setting and scheduling of climate control before getting in the car.

### Door Control

Remote locking and unlocking of the vehicle and checking of the window and trunk lock / unlock state.

### Valet Parking Mode<sup>3</sup>

Displaying of car's location, driving time, distance travelled and top speed in case of landing the car to someone else.

### Last Mile Navigation<sup>3</sup>

Guidance to your final destination by foot after you've parked your Kia.

### Find My Car

Displaying of Kia's exact position in the App.

### Vehicle Status

Information on ignition, fuel or battery charge level, lock/unlock status, temperature, cumulative mileage, connectivity status and more.

### My Trip Data

Information on previous journey including average speed, distance travelled and time taken.

<sup>1</sup> The services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period.

<sup>2</sup> For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.\*

<sup>3</sup> Only with supported vehicle models or head unit software updates.

 **Connect**

Activate Kia Connect now and start benefiting from the full range of smart services.

### Step 1: Activate services in car

In your Kia vehicle's navigation screen select "Activate Kia Connect".

### Step 2: Download app

Download Kia Connect from your preferred app store. Launch the app and login or create an account.

### Step 3: Link your car

Connect to your car by entering your VIN manually or scanning the QR code from the Kia Connect menu in your car and request a verification code to activate Kia Connect.

How do I find my VIN?

- Side wall of the engine room.
- On a plate attached to the top of the dashboard.
- The vehicle certification label attached on the driver's side center pillar.
