

The new Kia XCeed Special Edition

Movement that inspires

Inspire your everyday.

Building on Kia's distinctive design philosophy, this new addition to the Kia XCeed line-up ventures into exciting new terrain - with sport-infused styling details both inside and out to elevate your driving experience and turn plenty of heads along the way.

Stand out at every turn.

Express your unique self with a bold new confidence. The new Kia XCeed Special Edition showcases a range of added athletic details that take the XCeed to new levels of sporty sophistication.

Enjoy natural light and fresh air throughout the cabin, thanks to the panoramic sunroof, which features tilt and slide functions, plus an automatic electric blind for effortless shade control.

Behold the high-gloss black mirror caps, adding a distinct aura of refinement.

Sleek full LED headlamps, complemented by LED fog lamps, bring an athletic boldness to the front design.

Beaming power and confidence can be felt at the rear too, thanks to GTL-inspired LED taillights.

The athletic side stance is complemented by 18" GTL alloy wheels, for an extra infusion of sporty dynamism.

Settle into sophistication.

Step inside the expertly crafted cabin and you will feel instantly relaxed and exhilarated all at once. That's because the new Kia Xceed Special Edition goes the extra mile to deliver refined details just waiting to be experienced with every glance and touch.

Elevate your all-round comfort.

Enter an interior carefully conceived with sporty sophistication and you cannot help but relax. Once settled into the extra-comfortable seating, there's a chance to explore the elevated comfort and premium materials of the cabin. Make it truly yours too, by opting for the Yuca Steel Grey Interior Colour Pack for an extra touch of stylish refinement throughout. There are also accents to match the sporty vibe of the exterior, like the door panel stitching and air vents.

The interior is filled with sophisticated design details, with all-round comfort to match. Set off by a black roof liner for that extra premium feel throughout the cabin.

The cloth and artificial leather seats are finished in the exclusive colour Yuca Steel Grey. Simply sit back and immerse yourself in the perfect blend of elevated comfort and stylish details - designed to be as individual as you are.

Seamlessly integrated into the dashboard, the 12.3" TFT Supervision Cluster Display gives you all the vital information you need in fully digital clarity.

Simply place your Qi-compatible smartphone on the convenient Wireless Phone Charger to keep it charged as your drive - no cables or adapters required.
