

# The new Kia Stonic.

Movement that inspires

# Movement that inspires.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The new Kia Stonic lets you move your own way.

Infused with confident design details, seamless tech features and petrol or mild-hybrid options, this urban crossover is built to keep you confident and connected on every drive.

## Exterior design.

### Refreshed front design.

With stand-out Star Map lighting, a redesigned grille and bold bumpers, the Stonic's reimagined front design radiates sporty confidence.

### Clean, assertive rear stance.

At the back, the Stonic makes just as strong an impression. Distinctive LED taillights, a new skid plate and sculpted bumper lines add a touch of rugged confidence.

### A range of striking wheels.

From 15" to 17" options, the Stonic's range of wheels brings an extra-confident edge to the Stonic's design, including sporty GT-Line alloy wheels for added road presence.

# Connectivity & Convenience.

## Interior design.

- Dual-screen digital cockpit<sup>1</sup>.
- Ambient lighting.
- Crafted for driver enjoyment.
- Refined cabin finishes.

### Convenient cabin charging.

With wireless charging and fast USB-C ports, the Stonic always keeps your devices powered up quickly and seamlessly.

### Kia Digital Key<sup>2</sup>.

Carry your key in your phone: with Kia Digital Key, you can access your Stonic and share access with others digitally.

### Multimode Touch Display.

Intuitive multimode controls let you move between settings instantly with just one tap, so you can keep your focus where it belongs.

# Safer, smarter driving.

Equipped with advanced driver assistance features, the Stonic is built to make every journey safer and more enjoyable. Anti-collision assistants detect risks before they occur. And parking assistants make light work of parking.

## Your Stonic, your choice.

### Body Colour Line-up.

<sup>1</sup>Two seamlessly integrated 12.3" displays are available on selected trims. The central display is 12.3" as standard, while the digital cluster is 4.2" as standard or 12.3" as an optional feature, depending on trim and market.

<sup>2</sup>Kia Digital Key is only available on selected trims of the Kia Stonic. For Digital Key to work properly, you need a compatible phone that supports NFC Bluetooth technology.

<sup>3</sup>For low voltage batteries (48V and 12V) in mild-hybrid electric vehicles (MHEV), the Kia warranty covers a period of 2 years from initial registration regardless of mileage for supporting engine start.
