

The new Kia Sorento.

Movement that inspires

Information at your fingertips.

02

This mobile brochure allows you to discover the main features and highlights of the new Kia Sorento conveniently on your mobile phone. If you require more detailed information on any topic at any point while you browse, simply click the button and you'll be directed to the Sorento's full product page, which can also be easily shared and printed.

Movement that inspires.

03

Open a world of possibilities.

We believe in movement that inspires. Design that makes a statement. Technology that changes the game. The new Kia Sorento is designed to elevate the everyday. With progressive SUV styling, a seamless cabin experience and 7-seater versatility. Plus hybrid and plug-in hybrid powertrains that promise refined electrified movement on every journey.

Design

SUV styling,
reimagined.

Bold new front details.

Upscaled LED headlamps showcase a new vertical design and a strip of daytime running lights with Kia's next-generation Star-map graphics.

Progressive new rear design.

Vertical taillamps featuring diagonal-shaped LEDs convey a solid SUV presence from behind.

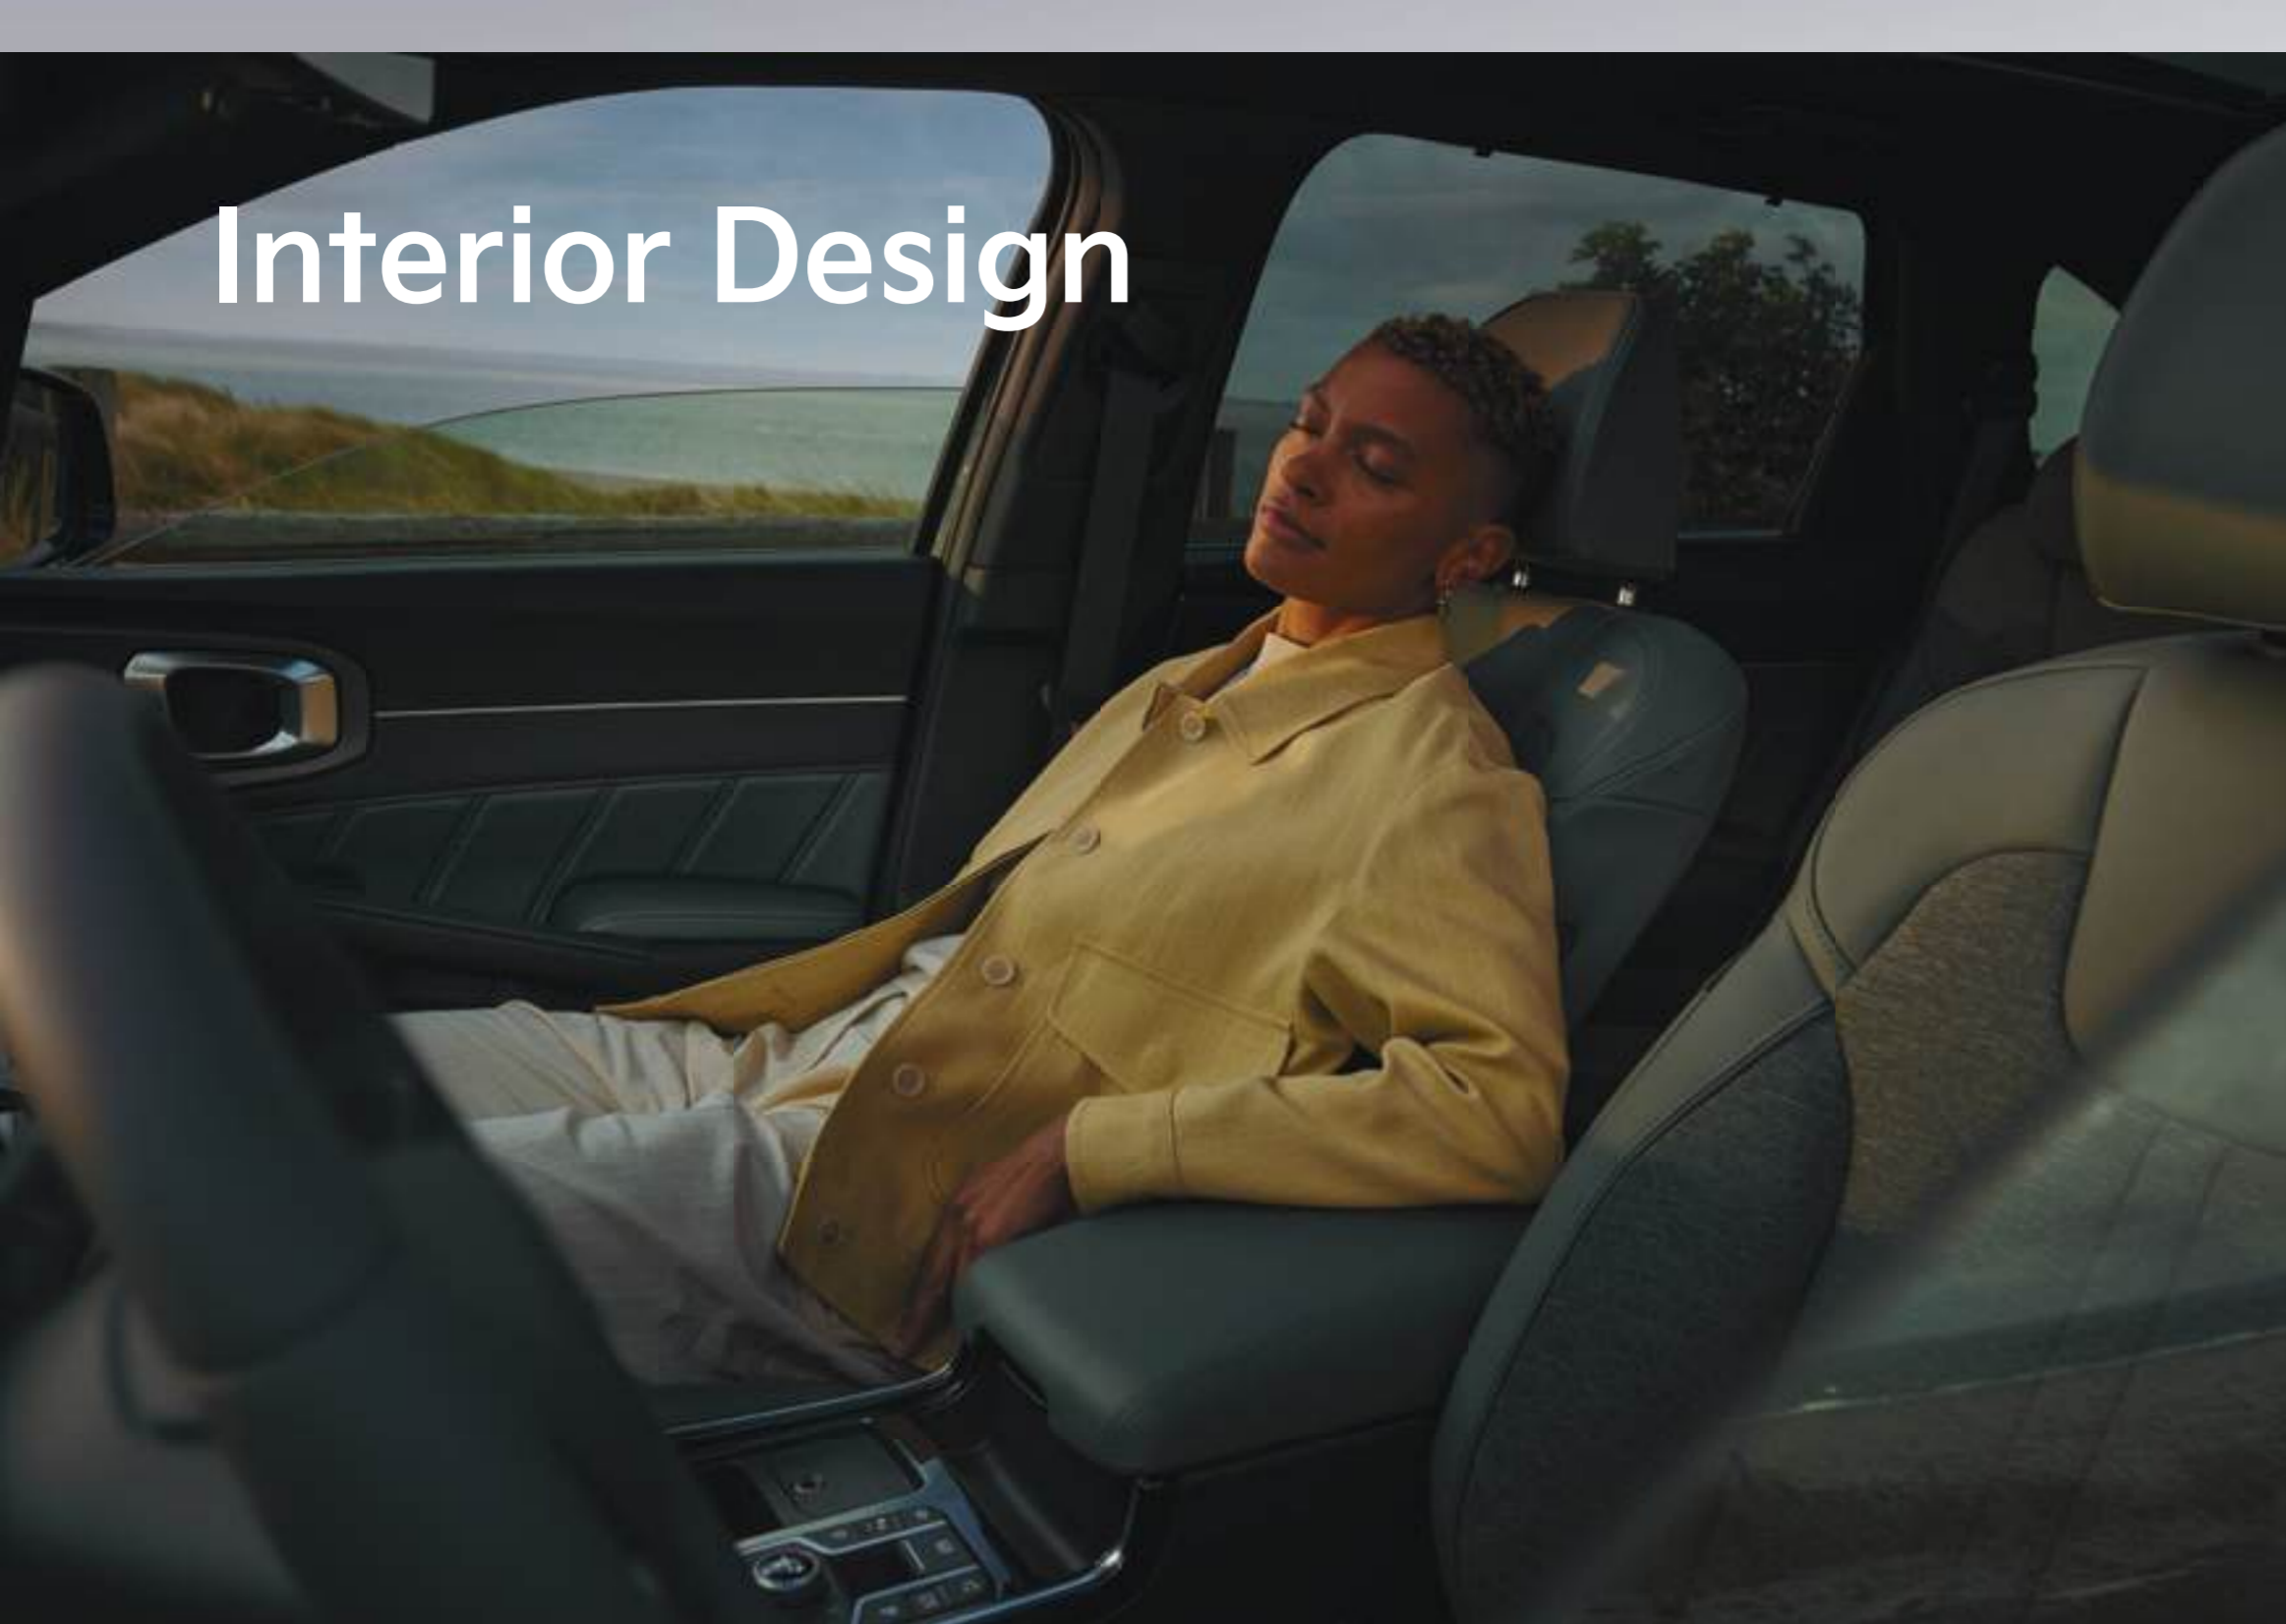

New alloy wheels line-up.

Choose between new 17, 18, 19 and 20-inch alloy wheels and infuse even more boldness.

Stand-out front bumper.

Notice the dynamic feel brought by the boldly proportioned new wide bumper and skid plate.

Premium relaxation seats.

Settle into seats that optimise posture and body pressure distribution. Lift and recline at the touch of a button. For effortless comfort.

Unleather seats.

Vegan faux leather seat upholstery in sage green comes as standard inside the spacious new Sorento, adding an alternative to regular leather.

Roomy trunk.

The cargo area is designed for multiple configurations, easy access, and endless adventure. With more than enough luggage space on any family trip.

Streamlined dashboard.

Simplicity, meet refinement. The cockpit features slim climate vents stretching across the entire dashboard, a new ambient lighting stripe, and revised climate controls.

Charging & Range

Charge almost anywhere.

Charging your Sorento Plug-In Hybrid is always convenient - thanks to the Kia Charge app with technology that performs simply and reliably. And charging points that are straightforward and economical.

Home charging.

Get your personal wall charger installed at home and make the most of your Sorento Plug-In Hybrid. Use the Kia Charge app to check your charge status at any time.

Public charging.

With Kia Charge, you will always have a hassle-free, widely available and easy-to-use charging service at hand wherever you go.

— Safety

Intuitive safety features.

Advanced safety technologies include anti-collision assistants, which detect collision risks before they occur. Highway assistants to keep you safe at higher speeds. And parking assistants to make light work of parking. Learn more by watching the animations.

Connectivity

Your hub of connectivity.

Dual panoramic display.

The stand-out screens are big enough for both you and your passengers to see all the essentials. With unique, advanced graphics.

Digital Key 2.0.

Add even more convenience to your journeys with the Kia Digital Key. It allows you to access and start your Sorento using your smartphone.

Powertrain & Trimlines

Discover your perfect fit.

Kia Sorento Plug-In Hybrid

The Sorento is available in two electrified powertrain variants and in different trims, so you can be sure to choose the option that's just right for you and your lifestyle.

Accessories

Make your mark.

From time away, to time in the city, to time for some fun, our selection of genuine accessories offers clever solutions and special features to personalize your Sorento and make your driving experience a real pleasure.

Make it yours.
