

The Kia Seltos.

Movement that inspires

Built to explore.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The Kia Seltos is designed for the ideal balance of strength and refinement. Its confident SUV design is combined with advanced technologies and generous space that elevate every drive. With optional all-wheel drive, it's built both for daily commutes and many adventures beyond.

Exterior design.

Rugged SUV presence

The Seltos makes a strong first impression with its wider grille and Star Map LED lighting. Vertical light elements and a sculpted bonnet underline its confident stance, enhanced by a Dynamic Welcome Light as you approach.

Dynamic side profile

Diagonal lines and a rising shoulder define the contemporary silhouette. A floating roofline and pronounced arches create motion, while flush door handles make for a smooth, refined finish.

Interior design.

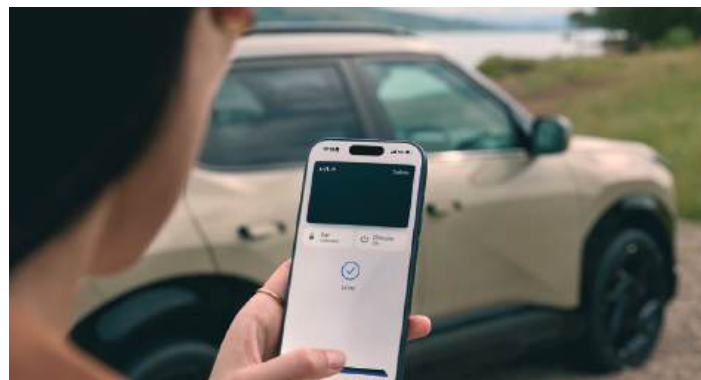

Panoramic triple-display infotainment.

Clarity meets ease in the panoramic cockpit with dual 12.3" displays and a 5.3" climate screen, all positioned for clear, intuitive control at a glance.

OTA Updates & Kia Upgrades²

The Seltos continues to develop with you thanks to Over-the-Air (OTA) Updates² that keep software current automatically. Kia Upgrades² also let you unlock new functions whenever you choose.

Serene & spacious

Panoramic sunroof¹

Customisable 64-colour ambient lighting

Stay connected. Elevate every drive.

The Kia Seltos keeps you seamlessly connected wherever the road takes you. With advanced features and an intuitive infotainment system, every journey becomes smarter, more convenient and more enjoyable.

Drive smarter. And safer.

The new Kia Seltos is fitted with a comprehensive range of Advanced Driver Assistance Systems (ADAS)³, engineered to enhance your safety and assist you behind the wheel for an easier, more enjoyable drive. Wherever your route takes you, and whatever the conditions and terrain.

Find the Seltos that fits you.

The Seltos range is built around the versatile 1.6 T-GDI engine, giving you the power and freedom to choose how you drive. Select a 6-speed manual with 2WD for engaging control, a smooth 7-speed dual-clutch in 2WD for refined efficiency or opt for the 7DCT with all-wheel drive for added traction and stability.

SEPTEMBER 2026

The models and specifications shown in this leaflet may vary from the models available in your market. Please contact your local Kia dealer for the most recent information.
1 Panoramic Sunroof: The optional Panoramic Sunroof is available on selected trims only.
2 Over-the-Air (OTA) updates & Kia Upgrades: New vehicles equipped with OTA-enabled navigation software benefit from complimentary services for a defined period.
3 Advanced Driver Assistance Systems (ADAS): The use of assistance and safety systems does not release the driver from the obligation to constantly monitor traffic and control the vehicle.
