
The new
Kia Picanto.
K IA 468
Movement that inspires

Movement that inspires.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The new Kia Picanto fits in and stands out, all at the same time. With spirited design to match your style. And new tech throughout the cabin that is always in sync with you. For an effortless, upbeat driving experience on every trip around the city.

Exterior design.

Striking new front details.
This frontal redesign is robust yet refined. From the expanded radiator grille conveying high performance, to the solid confidence of the black high-gloss bumper.

Front signature LED Light-Guide.
The new wide, self-assured look features a striking modern addition with an LED light-guide* connecting the LED headlights and Daytime Running Lights.

*Available with the new Picanto GT-Line only.

Confident alloy wheel line-up.
Choose from an impressive range - including new 14" and 16" alloy wheels, plus new dedicated GT-Line 16" alloy wheels.

Dynamic rear styling.
The wider rear design brings an agile sportiness, emphasized by the vertical rear combination lamps and LED tail centre lamp.

Connectivity & Convenience.

Interior design.

Distinctive colour packs.

8" floating touchscreen.

LCD digital cluster display.

Luggage Compartment.

USB Type C charging.
Find handy, fast-charging USB-C ports conveniently located in both the front and back row.

Apple CarPlay™ and Android Auto™.
Always stay up to date and connected -with your car and the outside world. Listen to your playlists and browse your favourite apps in smart, safe ways.
